# Memorandum of Understanding (MoU) Between Government Ayurvedic Medical College and Invivo Biosciences

## A. Parties

### 1. Government Ayurvedic Medical College,

Dhanvantri Road,

Bengaluru-56009, Karnataka, India

**Ph:** 080 – 22872848

**Fax:** 080 – 22872848

### 2. Invivo Biosciences

No. 23 Katha no. 3196, Assessment No. 154,

Kodigehalli Village, Off Magadi Road,

Yeshwanthpur Hobli, Bangalore North Tq.

Bangalore – 560091, Karnataka, India.

**Ph:** +91 8029772423

**Mob:** +91 9980522423

**E-mail:** [ravikanchi@invivobiosciences.com](mailto:ravikanchi@invivobiosciences.com)

**Website:** [www.invivobiosciences.com](http://www.invivobiosciences.com)

## B. Government Ayurvedic Medical College, Bangalore

GAMC which has been awarded as the 'Centre of Excellence' was established in 1967. The college is affiliated to Rajiv Gandhi University of Health Sciences, Bangalore. The college offers Under graduate, Post graduate and Ph.D. courses in Ayurveda. The SJIM Hospital premises are within the campus. The 275 bedded hospital 1 and well equipped OPD with a daily attendance of around 250-300 patients and a vast herbal garden. The institute has comprehensive facilities for teaching, inexhaustible resources for medical and allied research and provides credible patient care.

### **C. Invivo Biosciences, Bangalore – 560091**

Invivo Biosciences is contract research organization providing discovery, development, small lab animals, Biotech & custom synthesis services. It has state of the art 7000 square feet facility at Machohalli, Magadi Road, Bangalore. It has state of the art infrastructure facility having 5000 sq. ft of animal house with air handling regulations (AHUS) and barrier controls. The facility also has 500 sq. ft of lab space, a septic lab, Quarantine area and Procedure / surgery room.

### **D. Area of Collaboration**

It is agreed that Invivo Biosciences and Government Ayurvedic Medical College, will allow their respective Faculty/ PG students to collaborate in the above-mentioned areas. Training and re training of individuals/ teams as per the need would be provided mutually. Experimental protocols including animal experiments in animal house will be discussed by the experts of both institutions and finalized to carry out necessary studies. Animal House having registration Number - 1165/PO/RCBiBT-S/NRC-L/08/CPCSEA. and other required facilities will be utilized. It is also envisaged that the research carried on under this collaboration will lead to the acquisition of knowledge that will be helpful in advancing research in the fields of pharmacy sciences and public health.

### **E. Confidentiality, Soft and hard outputs**

The work in part may involve on both sides some other customers/ entrepreneurs and would require maintaining the required confidentiality. Every publication/ patent resulting out of this collaboration shall be approved by the heads of both the institutions, viz **Principal, Government Ayurvedic Medical College and Chief Scientific Officer, Invivo Biosciences**. The teams involved in the research are expected to maintain the records of the work to support publications/patenting. The team members involved in each project may be listed / updated and approved by both the heads.

### **F. Termination**

Either party may request for termination of this MOU at any time by giving 3 months' notice in writing. However, ongoing activities should be allowed to continue in accordance to the specifics outlined programme wise.

### **G. Amendments**

Amendments or changes to this MOU shall be made in writing and signed by the duly authorized representative of both parties. The terms and conditions of any specific programme between **Government Ayurvedic Medical College** and **Invivo Biosciences** will be discussed by both parties and set forth in a subsequent Agreement between the parties.

## II. Effective Date

The Memorandum of Understanding shall become effective upon signature by the respective parties and shall remain in force until further notice.

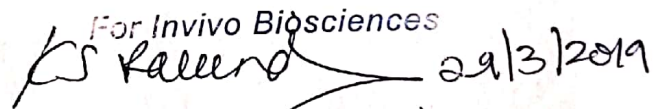

Whereas, the undersigned do hereby agree to the terms set forth in this MOU.

**Bangalore Bioinnovation Centre (BBC)**

Bangalore Bioinnovation Centre (BBC) is envisioned to be a state of the art incubation centre catering to the needs of start ups in the broad areas of Life Sciences

- The Bangalore Bioinnovation Centre (BBC) is an initiative of Karnataka Biotechnology and Information Technology Services (KBITS), Dept of IT, BT and S&T, Government of Karnataka with a liberal funding support from Department of Biotechnology (DBT), Government of India. It is located within Bangalore Helix Biotechnology Park at Electronic City. The Centre is a world class Incubation Centre with Central Instrumentation Facility in a 10 Acre campus with total built up area of above 50,000 sq ft.

- The Centre is nestled between thriving Academic Institutions like Institute of Biotechnology and Applied Biotechnology (IBAB), Centre for Human Genetics and the upcoming area for anchoring Big Companies/MNC's. Thus, the Centre provides a crucial link within the developing Bio- cluster, the Bangalore Helix Biotech Park.
- The Centre caters to the broad areas of Life Sciences i.e, Healthcare (MedTech/Pharma/Bio-Pharma), Agriculture, Food/ Nutrition, Industrial Biotechnology and Environmental Biotechnology

Dear Sir/ Madam,

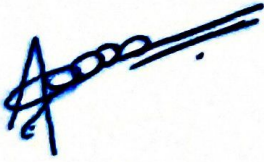

Greetings!!

This is to bring to your kind attention that Dr Vishnupriya JP , PG Scholar has done her study related to her dissertation entitled "Evaluation of test product for In vitro cytotoxicity activity on Caco2 cell line" in our laboratory. Starting from receiving the sample on 21/01/2022. The key milestones achieved are as follows;

Cell line revival and stabilization: 24/1/2022 to 05/02/2022  
Cell line sub culturing: 07/02/2022 – 10/02/2022  
Cell line seeding for cytotoxicity: 11/02/2022 -14/02/2022  
MTT assay: 15/02/2022 – 3/03/2022  
Study completion date – 4/03/2022  
Report – 5/03/2022

The study Director hereby declares that the work was performed under his supervision and in accordance with the mutually agreed study plan and the in house procedures.

Thanks & Regards,

Study Director  
Dr Ashok G

Date: 05/03/2022
